

HOUSE BILL 658
By Pleasant

AN ACT to amend Tennessee Code Annotated, Section
55-8-110, relative to inoperative traffic-control
signals.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 55-8-110(c), is amended by adding
the following language to the end thereto:

A traffic-control signal shall not be considered inoperative if such signal is
operating in flashing mode. If a signal is operating in flashing mode it shall require
obedience by vehicular traffic pursuant to § 55-8-112.

SECTION 2. This act shall take effect July 1, 2005, the public welfare requiring it.
